In the published article, Nlshwa GD, Sinvula M, Setso SO, et al. An audit of licenced radiological equipment and personnel in Botswana. J Coll Med S Afr. 2024;2(1), a87. <https://doi.org/10.4102/jcmsa.v2i1.87> on page 5, the following statistical data was provided:

Instead of:

One-fifth of radiologists ( $n = 4$ ) are in the public sector

It should be:

One-fifth of radiologists ( $n = 3$ ) are in the public sector

The authors apologise for this error. The correction does not change the study's findings of significance or overall interpretation of the study's results or the scientific conclusions of the article in any way.
